

Lamberti and Covestro announce agreement on East Providence Site

East Providence - April 28, 2025

Lamberti and Covestro announce the acquisition of Covestro's East Providence, Rhode Island, site. Lamberti will assume ownership of the facility.

“This acquisition represents a significant step forward for Lamberti, enhancing our position in the PUD technology. It marks a strategic milestone, establishing a local production presence in the United States. This ensures greater proximity to our customers, a more resilient supply chain, and a tailored response to the needs of the Surface Treatment market.”

Patrick Balletto - Chief Operating Officer, **Lamberti**

The sale will preserve the jobs of the East Providence facility's employees and includes the real estate, equipment and products produced at the site.

“The strategic decision to sell the East Providence facility helps streamline Covestro's operations while ensuring the site's employees and customers are supported. The commitment of the Lamberti team represents an exciting new chapter for the site.”

Martin Vlák – Head of Coatings and Adhesives, North America, **Covestro**

Lamberti will continue to support the existing customers of the East Providence facility and work to ensure a smooth transition.

Lamberti Group is a specialty chemicals global manufacturer headquartered in Italy with plants and affiliates located in North America, Latin America, Europe, India, and Asia Pacific. Through its core technologies, including Polyurethane Dispersions, Oleochemicals, Natural and Synthetic Polymers, Surfactants, Lamberti develops a variety of solutions aimed to improve performing formulations while reducing the environmental impact.
